## **DETAILED ACTION**

### ***Allowable Subject Matter***

2. Claims 1-6 are allowed.
3. The following is an examiner's statement of reasons for allowance:

***Regarding claim 1,*** The prior art of record considered alone or in combination neither anticipates nor renders obvious a method of A method for transmitting service data in telecommunication systems with wireless telecommunication based on a predefined radio interface protocol between telecommunication devices, comprising the steps of transmitting protocol data predefined by said radio interface protocol, wherein said protocol data comprises a plurality of protocol data units; transmitting said service data within said protocol data wherein the service data comprises a plurality of service data units and wherein each service data unit corresponds at least in part to a free part of a respective protocol data unit.

The prior art of record provided numerous teachings of synchronization with offsets and timing relationships. However, the prior art of record failed to specifically disclose a method of transmitting protocol data predefined by said radio interface protocol, wherein said protocol data comprises a plurality of protocol data units; transmitting said service data within said protocol data wherein the service data comprises a plurality of service data units and wherein each service data unit corresponds at least in part to a free part of a respective protocol data unit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
